

**COMPASSIONATE HOMEMAKER
AND RESPITE CARE, LLC
AGENCY**

Compassionate Homemaker and Respite Care provides Personal Care, and Homemaker as well as Respite Care Services to our Veterans through the Veteran Administration and to the elderly and/or disabled through the Medicaid Waiver program. **Compassionate Homemaker and Respite Care** provides services specializing in Personal and Home Management care.

Just as the name implies, **Compassionate Homemaker and Respite Care** is an agency that is empathetic and understanding to the population that it serves and it vows to tolerate nothing less. Compassionate Homemaker and Respite Care employs qualified Certified Nursing Assistants, Personal Care Attendants, and Respite Care Workers who are trained to assist in supporting the family by providing personal care (preparing food, feeding, bathing, sitting with, talking to, etc.) and light housekeeping.

Veterans may have their Primary Doctor from the VA Hospital to contact the Social Worker at VA and request Homemaker/Home Health Aide Services. When contacted by a social worker from VA, or case managers from the Medicaid Waiver program, please tell them that you would like Compassionate Homemaker and Respite Care to provide your services. The social worker or case managers will contact our agency. We look forward to providing you with quality service.
